- Suitability:**
 - WOLF DEN Cabin is not equipped to handle wheelchairs - the doors are "standard" width and there are stairs going up and down from the entry level floor. However, the bathroom on the entry level floor is equipped with grab bars in the shower/tub, a seven foot shower hose (with pause control on the handle) and a bathtub chair. An elderly/infirm person can access the cabin easily with little walking from a vehicle on level ground and can enjoy most amenities including a bedroom, the bathroom, the living/dining area, the kitchen, the covered front porch and the covered rear porch/balcony without leaving the entry level floor.
 - Smoking is NEVER ALLOWED inside WOLF DEN Cabin
 - Pets are not allowed. NO EXCEPTIONS!
