

What You Should Consider Bringing to WOLF DEN Cabin

We provide; sheets, blankets, pillows, towels, wash cloths and bath mats. The kitchen is fully stocked with almost every piece of cookware you'll need for cooking with plenty of plates, bowls, cups, glasses and flatware for dining. However, if there is something special you require, you should ask us to see if we have it in the kitchen.

We provide one roll of toilet paper per bathroom and there are often some paper towels in the kitchen. There are liquid soap dispensers at the sinks in the bathrooms, but there is no guarantee they are full (we do try to make sure there is some soap in them).

- **Change of Shoes** - if you've been hiking around in the red dirt, we ask that you clean your shoes or leave them outside. It's real easy to track the red dirt into the cabin (we know, we've done it). It's nice to have a clean pair of shoes to put on when the others are too muddy. There is a shoe/boot scraper at each cabin entrance.

We hope this helps to get you started on a wonderful vacation at WOLF DEN Cabin!
